Calling All Artist Members

Irving Art Association's CAAP program has a unique opportunity to display artists work in Irving. We need artists to submit samples of their work. Call Frankie Sieloff Couch at 972-255-3468 or franki1930@aol.com if you would like to participate in the CAAP program or if you know of other business for IAA members to display their work. This program is open to our current members and associate members at IISD.

If anyone has an idea of another location that we can participate in, please contact Frankie.

The IAA is funded in part by the City of Irving through the Irving Arts Board and the Irving Parks and Recreation Department. Visit our newly updated website at www.irvingart.org

February 8, 2009 is the Deadline for Information to the Irving Art Association's February 2009 Issue of the Newsletter.

We Are Proud to Announce That...

The City of Irving recently recognized the 20th year of honoring high spirited citizens of Irving. Among those honored November 20th at a reception at City Hall were four members of the Irving Art Association. They are **Norma Stanton, Pete Fernandez, Peggy Duvall and Dot Blalock**. In the past 20 years Irving has recognized 156 citizens for their spirit of volunteerism in Irving, making our city a better place. The volunteers are from all areas of Irving and all groups.

Former Mayor Dan Matkin with Dot Blalock's "Exhausted Rooster"

The **Exhausted Roosters** are a group of former Jaycees, among them are those who built our original "West Gallery" as a community project and made it a gift to the City for a center for the arts. We are the recipient of their foresight, and recently the group volunteered to ring the bells for the Salvation Army Christmas donations. They asked **Dot Blalock** to paint an "exhausted rooster" to display with their efforts. The picture received a lot of interest and helped to increase the donations they received.
